

# Our 2023 Impact

Corporate partnerships play a critical role in ensuring that RMHC delivers essential services to families with seriously ill children.

## Seattle House

**568**  
Families served

**36,202**  
Nights of housing and  
services provided

**49 days**  
Average length of stay

## Anchorage House

**1,635**  
Families served

**11,957**  
Nights of housing and  
services provided

**7 days**  
Average length of stay

## Research shows:

- Staying at the Ronald McDonald House reduces stress and financial burdens.
- Nearby purpose-built accommodation and support for families contributes to high-quality, family-centered care, leading to more improved health outcomes for children.
- RMHC programs care for a diverse population of families.
